

## Nebraska State Student Nurses Association

Dear NSSNA Partners, Sponsors, & Donors,

We are excited to connect with you as a future partner, sponsor, or donor of the Nebraska State Student Nurses Association. We are a non-profit, student led group that makes up a community of passionate and dedicated individuals who are driven to make a difference in the nursing profession. We are united in our mission to create a supportive and inspiring environment for student nurses, fostering growth and excellence in the healthcare industry.

We will be having the 73rd Nebraska State Student Nurses Association (NSSNA) Annual State Convention in February 2026. The upcoming convention will be held in person at Clarkson College in Omaha, Nebraska. At this time, we are excited to be looking for Partners, Sponsors, and Donors for our state student nurses convention and throughout the year.

We are super excited to correspond with you to create unique opportunities for our members. At our convention, we will have tables for our members to engage with throughout the convention. There will be a career and education fair for our members to attend and network with future employers or be presented with opportunities to further their education. There are also several opportunities for sponsorship and/or donations available including: sponsoring awards, scholarships, speakers, and door/conference prizes. Other offers for involvement are open for discussion; please feel free to share any ideas that may enhance the 2026 NSSNA State Convention. Your business is invited to purchase an advertising space in the 2026 convention booklet. The prices and levels of involvement are attached in the following paperwork. Depending on the involvement, more perks are included with the level you choose.

If you choose to participate in advertisement or select a level of participation that includes advertisement, we ask that your business provide a copy of the ad you would like to appear in the booklet. Please make sure it is photocopy ready, all ads will be available in color, and a photo via email in pdf format is preferred. Enclosed is a contract with the specifications for exhibiting and advertising.

If you choose to become a partner, sponsor, donor, or exhibitor of the Nebraska State Student Nurses Association, we graciously thank you now for your contribution, involvement, and participation. Part of the enclosed documents includes involvement levels for throughout the year and/or at the state convention. We would gladly accept any way you would like to be involved and can not wait to connect with you further. If you have any questions, please feel free to use our website below or email us.

Sincerely,  
Serena Wilson
